

Sometimes in life,
the best gift you can give is
one that lasts forever.

We are pleased to announce the YES Community Counseling Center “Giving Tree”
which will be prominently displayed in our offices at YES.

The proceeds from the sales of leaves on our “Giving Tree” will help our organization to continue to provide programs and services supporting the children, families and adults in the communities that we serve. The leaves on our “Giving Tree” will be offered at three levels of support:

Gold Sponsorship . . . \$300 per leaf
Silver Sponsorship . . \$200 per leaf
Bronze Sponsorship . \$100 per leaf

Each leaf will be engraved to reflect your individual expression of support of YES, or as a memoriam, with up to three (3) lines with a maximum of 25 spaces per line. Simply print on the lines below exactly as you want your message to appear on your leaf. Fill out an entire form for each leaf and return with your payment to YES Community Counseling Center.
